Subject: My schedule

Allie,

The Butte CD meeting schedule changed, and I am in the office on 10/15 until 3 (when I have a call that will last a while) and out of the office on the 16th all day. I could meet, but I don't know if it would be a good use of your contractor's time since I just got your partial comments. But let me know if you think differently. I am way busy but could spend some time with you and then if you think it is a good idea.
